

LAN Power Systems Product Warranty Registration

Keep this stub for your records

LAN Power Systems warrants to the original consumer or purchaser that each of our products, and all components thereof, will be free from defects in material and/or workmanship for a period of two years from the original date of purchase. The warranty hereunder is extended to the original consumer or purchaser and is not assignable.

LAN Power Systems makes no express or implied warranties including any implied warranty of merchantability or fitness for a particular purpose, except as expressly set forth in this warranty. In no event shall LAN Power Systems be liable for incidental or consequential damages, costs, or expenses arising out of or in connection with the performance of the product delivered hereunder. LAN Power Systems will in no case cover damages arising out of the product being used in a negligent fashion or manner.

Send in the Warranty card to register the product for the warranty period.
